

CHANGE ANNOUNCEMENT

CASE FILE ORDER / VOCATIONAL REHABILITATION REQUEST FOR VETERAN STATUS

Effective November 15, 2006

CHANGES

The Vocational Rehabilitation Request for Veteran Status form has been added to the Case File Order and a copy posted to VRIS. This is a QUEST generated form when a consumer indicates on their application that they are a veteran. The form is sent to the local VR office after the VA has designated the veteran status. The form would be filed in Section 4: IPE Development in the below the IPE related items in chronological order.

Further information on this form and the agency's agreement with the Veterans Administration can be found on VRIS: Program Manual: Miscellaneous: Veterans Administration Agreement.

VRIS UPDATE

A copy of the Vocational Rehabilitation Request for Veteran Status form has been posted to VRIS: Printed and Marketing Materials: Case Service Forms and Worksheets.

A hyperlink has been added to the Veterans Administration Agreement Chapter to the Vocational Rehabilitation Request for Veterans Status form.

The Case File Order Program Manual Chapter and the Case File Order List have been update to include the Vocational Rehabilitation Request for Veteran Status form in Section.

TEAM COMMUNICATION

At a team meeting, ensure staff are aware of where this form is filed. If staff have questions about the use of the form, review the Program Manual Chapter.
